3. When possible, we will acknowledge receipt of your Arrival Information and Waiver Form.

Students for whom we have received required information will be met at the airport by a van. The driver will be holding an **orange "BGSU"** sign. We must receive your Arrival Information and your signed Waiver Form at least five full working days (i.e. Monday through Friday) before the day of your arrival in order for the van to meet you in Toledo.

The cost for transportation from Toledo to Bowling Green will be \$60.00 US and will be billed to your bursar's account. No money will be accepted by the driver. Please have your Immigration Document with your BGSU student ID number available.
